MY CHILD/MY STUDENT

Positive, productive and ongoing communication between a child's parent and teacher is essential to academic success.

Education and community organizations, the State Board of Education, and the Arkansas Department of Education (ADE), have partnered to launch the My Child/My Student campaign. The goal of this campaign is to encourage on-going communication between parents and teachers. The campaign will give parents helpful information and tips they can use to discuss their child's educational progress and goals. Additionally, teachers will be provided questions
