FOOD SAFETY PLAN
Attestation Statement

Public Law 108-265 amended Section 9(h) of the Richard B. Russell National School Lunch Act requires that each school serving or preparation site involved in the National School Lunch or School Breakfast Program implement a Food Safety Plan using as a reference Hazard Analysis Critical Control Points (HACCP).

By signing this statement the District's Child Nutrition Director certifies that all serving and preparation sites in the district have implemented a Food Safety Plan.

Schools must provide the school site Food Safety Plan without prior notice for review during Arkansas Department of Education, Child Nutrition Unit monitoring reviews, Technical Assistance Visits, Health Inspections, and upon request by other authorized governmental entities.

The individual school Food Safety Plan will be on file at each serving and preparation site in the district.
