School districts seeking to employ educators to teach out of field (not in the field in which the educator is currently licensed) will use the Additional Licensure Plan (ALP) to meet that need. School districts may use the ALP process to address unusual emergency situations when licensed educators are asked to teach in areas/levels for which they are not licensed. School districts may not exceed the three-year limit without possible penalty. Educators must meet the following conditions:

**THIS AREA CANNOT BE GAINED BY TESTING ONLY.**

**Eligibility guidelines:**

- possess an initial or standard educator license,
- seek to add this area of licensure or endorsement, and
- be assigned to teach in this area rather than the one for which they are currently licensed.

**The additional area of licensure will be added to the credential when all licensure requirements are successfully completed and application is submitted.**

**For information on adding additional licensure areas by testing out or through a program of study and testing, please refer to the Department of Education website at [www.arkansased.org](http://www.arkansased.org) and click on Educator Licensure, then Add Licensure Area to License.**

**Required assessments:**

- **Praxis II: Principles of Learning and Teaching, test #0522 OR #0523 OR 0524**  
**Minimum score required: 164**

NOTE: Test at a Glance (TAAG) study guide booklets are available on line from [www.ets.org/praxis/prxar.html](http://www.ets.org/praxis/prxar.html). **Any educator wishing to take any Praxis assessment is strongly encouraged to obtain these study materials.**

**Recommended content and experience background:**

- Listening, speaking, reading and writing comprehension in Italian.
- Demonstrated understanding of the structure of the Italian language.
- Study of the Italian culture and civilization and the resulting impact upon the Italian language acquisition.

- Study of Italian literature.
- On-site practice of application with students of teaching methods for the Italian language.
- Practice with the selection of teaching materials for use with students in an Italian classroom teaching setting.
- Practice with pedagogical approaches to planning Italian teaching instruction.
- Developed proficiency with planning lesson plans, demonstrating why specific topics are included in the Italian curriculum.
- Developed ability to orally paraphrase in the Italian language.

**Employing school district guidelines**

- The employing district will document the need to assign an educator out of field.
- The employing district authority will sign and file this ALP form with the ADE Office of Educator Licensure **within 30 days of the out-of-field teaching assignment**, thus documenting the above statement.
- The employing school district understands that an educator working under this ALP shall make adequate yearly progress (as specified in the Rules Governing Educator Licensure) each school year that the educator is employed in the out-of-area assignment.
- The employing district understands that an educator will have no more than three school years from the first date he/she was employed in the out-of-area assignment by any district to meet full licensure requirements for the additional licensure or endorsement being sought. A waiver request must be submitted each school year the educator is employed out-of-area.

**School District Assurances:**

I certify that the above statements are true and correct to the best of my knowledge.

**Educator ALP guidelines**

Educators shall make adequate yearly progress (as specified in the Rules Governing Educator Licensure) each school year that the educator is employed in the out-of-area assignment. If the educator EITHER leaves the ALP position OR doesn't complete the requirements within three consecutive years, he/she will NOT be eligible for employment again under an ALP for this area of licensure.
