

## Educator Evaluation Summer Training

Administrators attending training at local education cooperatives should register through the co-op. Administrators who are unable to attend a training locally can attend a make up training held in Central Arkansas. Registration for these trainings is through EventBrite (click on location to link to registration page). Participants assume travel and meal costs for trainings in Little Rock/ North Little Rock.

| Date           | Training                        | Location   |
|----------------|---------------------------------|--|
