10. If there is any discrepancy in the number of students for whom scores are reported under Section 4.06.2.2 of these rules and the number of students enrolled at the beginning of the school year, the public charter school shall explain in the report the reason for the discrepancy.

Number of Students Enrolled October 1: 479 Number of Students Tested: 457

Explain the reason for any discrepancy in the number of students for whom scores are reported and the number of students enrolled at the beginning of the school year.

There is a discrepancy because we had student withdrawals and students who are in residential facilities. Residential facility students are not tested by us, but are part of our student count.
