Number Students Enrolled	Number Students Tested	Explain the reason for any discrepancy in the number of students for whom scores are reported and the number of students enrolled at the beginning of the school year.
Oct. 1	24	At Badger Academy most students transition back into the traditional school setting at semester. Out of the 24 students enrolled on October 1, 5 students left the district and 12 remained at Badger Academy for the 2 <sup>nd</sup> semester. Additional students were enrolled at the beginning of the 2 <sup>nd</sup> semester. All students that were enrolled during ACTAAP assessments participated in the assessments.  <i>(the box below will expand as you type)</i>

92	54	The numbers will not match because I have students who transfer out and who transfer into the school. As an alternative school, I have students who are constantly being sent to juvenile facilities and the schools who service these juvenile facilities will test these students if the testing time frame fits their placement. Several students have taken their tests before being transferred to BCS/ALC.
