Name of School:	Lonoke Alternative Learning Center
Proposed Name of School:	Lonoke Alternative Learning Center
Description of Location:	Carver Campus located on Locust Street, which is the school grounds for the previous Lonoke Middle School.
Grade Levels:	6-12
Enrollment Cap:	100

The Lonoke Alternative Learning Center's proposed emphasis will be to establish a school for students who are at risk and/or failing within the current educational system. The focus will include restructuring of school day, implementing project based learning through cross-curricular curriculum, interactive learning infused with technology and vocational planning/instruction. Students will be provided a personalized approach to instruction that will reinforce learning per the state frameworks curriculum requirements that will enhance student desire to stay in school to obtain graduation credentials, while infusing vocational skills to prepare students to exit high school ready to pursue post-secondary school and/or employment into the workforce.

Sincerely,

Dr. John Tackett  
Superintendent  
Lonoke School District
