RE Letter of Intent to Apply for a Conversion District Public School Charter

Dear Dr. Duncan:

Please accept this notice as a letter of intent for a conversion charter school for the purpose of adopting the Science, Technology, Engineering and Mathematics (STEM) program in the Gravette High School, LEA 0404022. The contact person is:

Andrea Kelly, Ed.D.  
Superintendent of Schools  
Gravette Public Schools  
609 Birmingham Street, SE  
Gravette, OK 72746  
479.787.4100 - office  
405.747.6423 - cell  
479.7874109 - FAX  
[Andrea.kelly@gravetteschools.net](mailto:Andrea.kelly@gravetteschools.net)

The name of the proposed district conversion charter school is Gravette High-Tech High. Grades to be served through the proposed charter school are the ninth through twelfth grades. The enrollment cap will be established at 25 students per grade. The location for the charter school will be within the existing high school building.

The district leadership team is a strong proponent of encouraging interest and enhancing the achievement of students through a strong STEM program. We view the program as a complement to the Common Core State Standards with the goal of preparing all students for college AND careers, and as a result, this statement is the goal of the proposed charter school.

We look forward to visiting with you in more detail as the process for application approaches.

With kindest regards,

  
Andrea Kelly
