CHARTER SCHOOL OFFICE

To Whom It May Concern:

This letter is to inform you that Marked Tree School District intends to seek approval to convert to a public charter school at Marked Tree High School, grades 9-12.

The location of this school would be 406 St. Francis Street in Marked Tree. The proposed student enrollment cap for this school would 180 students.

The upcoming changes to the curriculum of the students we serve will drastically change when Common Core becomes required. As we begin this change and focus on project-based learning, we feel our students would be better served by changing to a public charter school.

If you have any questions , please feel free to contact me at (870)358-2913. The fax number for our school is (870)358-3953. My email address is thompsona@mtree.k12.ar.us . The district office address is at follows:

406 St. Francis
Marked Tree, AR 72365

Sincerely,

Annasa Thompson, Superintendent
Marked Tree School District
