America's Charter School (ACS) is the name of the Charter being proposed. This will be the first year of operation of the school in order to provide personalized and customized learning anytime anywhere with students in Arkansas. ACS is filing this letter of intent to help students with financial, academic, and at risk needs to enable them to be served. The Charter will plan for students in grades 8-12 with a virtual blended learning delivery system to meet the academic and 21st Century Learning needs of all students enrolled. The Charter will serve students across the state and will have an enrollment cap of 500 students.

The America's Charter School will have four primary focus areas:

1. High Tech and one to one computers and digital devices with a focus on application of learning using collaboration, communication, and teamwork.
2. College and Career Readiness to prepare students for post secondary success and to enable students to have a career focus.
3. Project Based Learning with a STEM focus-students will work as teams and integrated classes and teachers will facilitate their learning using projects as the emphasis for teaching the required standards.
4. 21<sup>st</sup> Century Skills and trust, respect, and responsibility for learning with a culture centered on work ethic and accountability.

The contract person will be Dr. Frank A. Holman, Director, if we can answer any questions or you need additional information, please let me know.

Respectfully,

  
Dr. Frank A. Holman, Director ACS
