The location of the proposed charter school will be in the City of North Little Rock, Arkansas which has the boundaries of the North Little Rock School District and Pulaski County Special School District. Complete Global Vision Charter School will initially serve grades K-4 within the first year with a maximum of 99 students with the intention of adding a grade each year for a maximum enrollment in K-12 of 279 students.

Complete Global Vision has a mission dedicated to providing educational services for children diagnosed with autism disorders and related disorders residing in Central Arkansas. Our target is students with autism spectrum disorders who have communication deficits and/or behavioral challenges and those who may require training in self-help skills. Our primary goal, through the implementation of our mission is to provide students with autism spectrum disorders a learning environment that is best suited for their disability, where they will have an opportunity to thrive. We will strive to provide the most effective individualized educational programs possible. Complete Global Vision objectives are to provide free, appropriate educational opportunities to students on the autism spectrum; empower students to reach their full potential in motivating and engaging environments using individualized programs; and to enable each student to gain skills that allow integration into the community as a fulfilled and productive citizen.

Respectfully Submitted,
