Our goals has been and continue to provide academic curriculum that meets the Department of Education with qualified instructors with special emphasis on Performing Arts to gifted youth.

The name of the proposed open enrollment is to be: ***Love Letters A Universal Sound School of Performing Arts Charter School.***

The school will be located at 5301 Summer Tree Drive which is a part of the North Little Rock School.

The grade level(s) we intend to target will be grades one through five. Our object is to recruit 10 children from each grade level.

Love Letters has been an integral part in the lives of our neighboring children and have seen the growth patterns of most of the youth who have been challenged in their abilities to speak, perform, show leadership skills and read and write short stories and plays. We fill when we infiltrate the basic learning skills with their natural, they will show tremendous growth.

We anxiously await your response
