June 2, 2015

Ms. Cindy Hogue
Arkansas Department of Education
Division of Learning Services
Four Capitol Mall, Room 304-B
Little Rock, AR 72201

Dear Ms. Hogue,

A newly created non-profit organization which would apply for 501(c)(3) status from the Internal Revenue Service prior to the application submission deadline, intends to apply for an open-enrollment public charter school during the 2015 application cycle. The open-enrollment public charter school, the Scott Charter School, plans to open during the 2016-2017 school year.

The contact for Scott Charter School is:

Nita Gray, Ed.S
Academics Plus Charter School
900 Edgewood Drive
Maumelle, AR 72113
Office 501-803-0066
Fax 501-803-9748
nita.gray@academicsplus.org

Scott Charter School will be located in east Pulaski County or west Lonoke County. It is anticipated that the school will serve students in kindergarten through sixth grades during the first year of operation and will add one grade per year until it serves K-12. The school will be located within the Pulaski County Special School District. At full capacity, the school will serve 975 students.

Scott Charter School will offer an academically rigorous college preparatory program designed to prepare students for college regardless of race, ethnic origin, national background or socioeconomic level. Our belief is that all children can learn when challenged by high expectations. The vision of Scott Charter School is centered in the belief that attitude, behavior, effort and attendance, as well as ability, determine academic success. The school will work to build a community that provides the opportunity for students, teachers, parents, and community stakeholders to learn, lead, and serve.

Thank you for your consideration.

Best Regards,

Rob McGill
Executive Director
