## Summary of 1999 Legislative Changes to the Home School Law

The 1999 Arkansas legislature amended various sections of the Home School Law. The amended sections of Arkansas Code Annotated 6-15-503 and 6-15-504 cite changes in dates for enrollment, waiting periods for withdrawing students and changes to the Waiver form. Revisions in the law as enumerated by Act 1117 of 1999 also include the addition of sections pertaining to disciplinary action and home school enrollment, and violation of the Arkansas truancy law for failure to take the state mandated achievement tests.

Arkansas Code Annotated 6-15-503 regarding prerequisites for home schools as amended states that: parents or guardians desiring to provide a home school for their children must give written notice to the superintendent of their local school district of their intent to provide a home school for their child and sign a waiver acknowledging that the state of Arkansas is not liable for the education of their child **during the time that parent chooses to home school.**

Arkansas Code Annotated 6-15-503 as amended states that parents or guardians who desire to home school their child(ren) must enroll them **by August 15 of each school year or by December 15 to start home schooling for the second semester of the school year or withdraws subject to the provisions of Arkansas Code 6-15-503, section two (2) subsection (d) and (e).** A fourteen (14) calendar day waiting period is required to withdraw a child from a local school district. The fourteen (14) day waiting period can be waived by the superintendent or local school board.

Parents moving into school districts during the school year have **thirty (30) calendar days** instead of thirty (30) school days after establishing residency within the district to file their Notice of Intent to Home School and Waiver forms.

**Further revisions to Arkansas Code Annotated 6-15-503 prohibit students under disciplinary action for violating written school policy or excessive unexcused absences from enrolling in home schools.** The exception to this requirement gives the superintendent or local school board the authority to release a child to enroll in a home school.

**Arkansas Code Annotated 6-15-504 section three (3) subsection (e) places students who refuse to participate in the required testing program in violation of the applicable Arkansas laws regarding truancy.** This requirement does not apply to parents who have enrolled their child(ren) in a public, private or parochial school within thirty (30) days of the administration of the state mandated achievement tests.

## **DATA SOURCES**

Parents or guardians are required to submit a Notice of Intent to Home School form to the superintendent of their local school district if they plan to home school their child(ren). A copy of these forms, as required by law, is sent to the Arkansas Department of Education (ADE) for statistical purposes.

The information for this report was taken from the Notice of Intent to Home School forms submitted to the Arkansas Department of Education (ADE) by the school districts. Annual totals on the home school enrollment chart, with the exception of the 1998-99 school year, were taken from previous home school reports.
