Data Sources

Parents or legal guardians who choose to provide a home school for their children are required to submit Notice of Intent to Home School and Waiver forms to the superintendent of their local school district each year within the established deadlines. School districts are required to submit a copy of each form to the Arkansas Department of Education (ADE) for statistical and testing purposes.

This report is comprised of data submitted by the 310 school districts in Arkansas. The accuracy, completeness and timeliness of the data are reliant upon the individual submissions of the districts.

Estimates of grade level completed are based on date of birth when incomplete information was submitted regarding grade level.
