

Online Notice of Intent to Home School

At this time, the **online Notice of Intent** to home school does not reflect the current legislative changes from the 2017 session. However, all required information needed to file your **Notice of Intent** is included within the online system.

Currently, the online **Notice of Intent** requests information that is not required. You may choose to fill out the entire **Notice of Intent** or use the following suggestions:

Screen 2

Section: Educational Qualifications - Not required information, but an answer is required to continue to the next page. Please choose any level of education in each box.

Screen 4

Section: Curriculum - Please type in information or enter NA to continue to the next page.

Section: Class Schedule - Please type in information or enter NA to continue to the next page.
