To: ccss@list.state.ar.us

From: Arkansas Department of Education Curriculum and Instruction Unit

Dear Arkansas Educators,

Please share the following invitation with the visual art educators in your district:

Professional development and networking opportunities will abound for visual art teachers at the Arkansas Art Educators Association Fall Conference on November 10-11, 2016. The theme of the 2016 conference is Art: Keys to Success. The event will begin with a reception on the evening of November 9 at the William J. Clinton Presidential Library. Over the two days following the reception, dozens of presenters and speakers will provide valuable resources, curriculum, and program ideas for emerging trends in the field of arts education. The AAE Fall Conference is one of the primary opportunities for art teachers in Arkansas to receive quality professional development in their content area. The conference will be held at the Wyndham Riverfront Hotel in North Little Rock. Registration for the conference will begin on the AAE website on October 1.

For more information regarding the conference, go to the AAE website at ararted.org and visit the Arkansas Art Educators Facebook page.

Please share this information with others that might be interested. Thank you for serving the students of Arkansas.
