Subject: Message #49: Arkansas K-12 Science Standards for High School Community Feedback Survey

Date: September 8, 2016

To: adecurriculum@lists.state.ar.us

From: Arkansas Department of Education Curriculum and Instruction Unit

Dear Arkansas Curriculum Leaders,

The Arkansas Department of Education (ADE) is pleased to offer an opportunity for community feedback on a pre-publication version of the Arkansas K-12 Science Standards for Grades 9-12. In order to view the standards, make comments, and/or offer suggestions, please visit one of the following links from September 1 - September 30:

<http://www.arkansased.gov/divisions/learning-services/curriculum-and-instruction/arkansas-k-12-science-standards/arkansas-k-12-science-standards-public-comment-survey>
or <http://tinyurl.com/kbp4cqc>

Information located on the same links include the proposed courses, draft documents, and video commentary from ADE Deputy Commissioner Dr. Mark Gotcher, Ms. Michele Snyder, and several of the science standards committee members.

Following are the proposed high school science courses:

- Astronomy
- Biology
- Chemistry
- Earth Science
- Environmental Science
- Human Anatomy and Physiology
- Physical Science
- Physics
- Principles of Chemistry and Physics

Please direct questions regarding the community feedback opportunity to Ms. Stacy Smith at Stacy.Smith@arkansas.gov or 501-683-4800. Additionally, questions regarding Arkansas K-12 Science Standards may be directed to Ms. Snyder at Michele.Snyder@arkansas.gov or 501-682-7942.

Please share this information with others that might be interested. Thank you for serving the students of Arkansas.
