Subject: Message #53: Reminder – Science and Computer Science Expo
Date: September 23, 2016
To: adecurriculum@lists.state.ar.us
From: Arkansas Department of Education Curriculum and Instruction Unit

Dear Arkansas Curriculum Leaders,

The Great Leaders Great Resources Science and Computer Science Expo 2016 is just around the corner. While the ADE does not endorse textbooks or instructional materials, this expo will be an opportunity to view available science and computer science resources from a variety of vendors.

In addition to viewing resources, district and school leaders will have the opportunity to collaborate about specific needs with science specialists from educational cooperatives, STEM centers, and Educational Renewal Zones. The expo will take place at the Holiday Inn Airport Conference Center at 3201 Bankhead Drive in Little Rock on Tuesday, October 4, from 8:00 a.m. to 3:00 p.m.

There is no cost for district or school leaders to attend. Space is limited and registration will close when capacity is reached. Register to attend at <http://tinyurl.com/greatleadersregistration>. A limited number of hotel rooms are available at \$91 for single or double occupancy. To reserve a room, call (501)490-1000 and request a room for the Science and Computer Science Vendor Expo.

Please contact Michele Snyder at the ADE with any questions at (501)682-7942 or michele.snyder@arkansas.gov

Please share this information with others that might be interested. Thank you for serving the students of Arkansas.
