Subject: Message #10: ADE Enhanced AP U.S. Government and Politics Syllabus Update

Date: April 13, 2015

To: adecurriculum@lists.state.ar.us

From: Arkansas Department of Education Curriculum and Instruction Unit

Dear Arkansas Curriculum Leaders,

The ADE Enhanced AP U.S. Government and Politics syllabus has been revised, aligned to the new ADE Civics Curriculum Framework, and approved by College Board. It is now posted on the ADE website with the other revised social studies curriculum frameworks and will be effective July 1, 2015.

Please note that the syllabus has a new syllabus ID number. This allows teachers to submit the exact copy of the ADE Enhanced AP U.S. Government and Politics syllabus to College Board with the new ID number. Upon submission to College Board, teachers will receive authorization in an expedited timeframe (usually no more than two days).

The [ADE Enhanced AP U.S. Government and Politics course](#) meets the Smart Core graduation requirement for Civics.
