Dear Arkansas Curriculum Leaders:

The Gilder Lehrman Institute of American History, a nonprofit organization devoted to the improvement of history education, is offering every school in AR affiliate school status.

The Affiliate School Program, free to all K-12 schools, is a unique gateway to education resources, events, and tools designed to bring American history to life in the classroom. Teachers and students have access to valuable resources, including

- * UNLIMITED ACCESS to the Gilder Lehrman Collection of more than 60,000 American historical documents and exclusive web content, including Featured Primary Sources, lesson plans, and more from History by Era
- * Exclusive eligibility for Teacher Seminars and a discount to audit Online Courses
- * FREE classroom materials, Traveling Exhibitions, essay contests for students

To streamline and begin the process of registering for Affiliate School status, please complete the 2 question survey at <https://www.surveymonkey.com/r/gilderlehrman>. Question one asks who is filling out the survey and question two identifies a contact person (listed as advisor) for your school (e.g., a history teacher, librarian, department chair, curriculum specialist). ADE will supply the other information needed by Gilder Lehrman.

Please share this information with others that might be interested. Thank you for serving the students of Arkansas.
