Subject: Message #3: High School Seniors Sought for National Youth Science Camp

Date: February 2, 2015

To: adecurriculum@lists.state.ar.us

From: Arkansas Department of Education Curriculum and Instruction Unit

Dear Arkansas Curriculum Leaders,

The Arkansas Department of Education (ADE) is pleased to announce that applications are being accepted for the 2015 National Youth Science Camp until March 1, 2015.

Michele Snyder from the ADE is serving as Arkansas' selection coordinator for the 2015 National Youth Science Camp (NYSC). Two high school seniors will receive a full scholarship to exchange ideas with scientists and other professionals from the academic and corporate worlds. The nearly month-long experience includes lectures and hands-on research projects presented by scientists from across the nation; overnight camping trips into the Monongahela National Forest; and a visit to Washington D.C. The selected delegates must not only demonstrate academic achievement in science, but also show potential for thoughtful scientific leadership.

The NYSC experience is offered at no cost to its participants, so that selected delegates may attend regardless of their financial status. Contributions to the National Youth Science Foundation® allow delegates to participate in this "once in a lifetime" experience. Educational and recreational programming, as well as meals, lodging, and round-trip air passage on scheduled airlines are provided free of charge.

Delegates arrive in Charleston, West Virginia, on Wednesday, June 17, and depart on Saturday, July 11, 2015. The NYSC is held near Bartow in the eastern mountains of West Virginia, within the Monongahela National Forest. Application forms are available on the NYSC website at <http://apply.nysc.org>.

Applications must be submitted by Friday, March 1, 2015.

You may apply at <http://apply.nysc.org>.
