

Civics

**Social Studies
Curriculum Framework**

Revised 2006

Course Title: Civics
 Course/Unit Credit: 1
 Course Number: 472100

Teacher Licensure: Please refer to the Course Code Management System (<https://adedata.arkansas.gov/ccms/>) for the most current licensure codes.

Civics

Civics provides a study of the structure and functions of the United States government, the government of Arkansas, and political institutions. Civics examines constitutional principles, the concepts of rights and responsibilities, the role of political parties and interest groups, and the importance of civic participation in the democratic process. This course stresses application, problem-solving, higher-order thinking skills, and the use of classroom performance-based/open-ended assessments with rubrics.

Strand	Standards
Citizenship	1. Students shall examine citizenship.
	2. Students shall examine rights, responsibilities, privileges, and duties of citizens.
Government	3. Students shall analyze the purposes of government.
	4. Students shall compare the different types of government.
