ELL Entry/Exit	<input checked="" type="checkbox"/>	<input type="text"/>	<input type="text"/>

Notes: Check the value box when adding an EL Student.

When adding a row for an EL/Language Minority Student, the start date should be the student's 1st day in **ANY** US School K-12. The value box is checked when student is an English Learner.

ELL Program is not closed out unless the student tests out of the program! This applies even when withdrawing the student.

Uncheck the Value box and put an end date when a student tests out of the program. The end date should be the date the student tests out of the program. This may be the date the student is screened initially –or– may be the date the student meets the exit criteria to be a former EL.

ESL/ELL Waived Date- The date an EL student’s parent signed the form waiving ESOL services for the student.

ESL/ELL Monitored- A student who was exited from ESOL services and whose academic progress is being monitored.

- M1- Monitored Year 1 M2- Monitored Year 2
- M3- Monitored Year 3 M4- Monitored Year 4
