

ARKANSAS GEMS

Southeast Education
Cooperative
October-December
2014

CALENDAR

October 7- AP Coordinators' Training delivered CIV.

October 10 - GT Coordinator Training. GT Coordinator, Linda Kay Thompson, Star City Schools, shared tips on Bloomboard and Google. Coordinators were able to see her actual Bloomboard account. Krystal Nail, ADE, attended with tips for new 6 year cycle monitoring.

December 7 – Tech Fair for 4-6 grade students will have opportunity to learn new programs, skills taught by local EAST teams.

Highlights

The Fall semester brings about Program Application visits at schools and conversations about Identification committees and Evaluation results.

Improvements to record keeping in response to the new Six Year Monitoring Cycle has been discussed.

Four new GT Coordinators in the SEARK Area bring about excitement and focused school visits. Hermitage, Lakeside (Lake Village), Drew Central and Crossett have first time coordinators.
