Advocating Opportunities for Gifted and Talented Students to grow and shine,

Highlights

• **Technology Showcase:**

- The December 4th showcase was a success! We had approximately one hundred twenty three fifth and six grade students present their researched topics. The students not presenting were the audience. They will present in April. Pizza was served and fun was had by all! We also made front page of the Forrest City newspaper. Positive Press!

• **Looking Forward to:**

- **AGATE Conference in Little Rock, Feb.24-27**
- **Elementary Quiz Bowl in April**
