Submitting Test Results

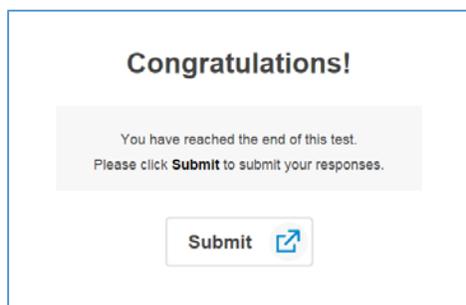

All tests must be submitted by May 15, 2015 at 7:00pm Central Time.

When test is complete, it is critical that TAs *submit* the test. Once a test is submitted:

- The test status will change from **In Progress** to **Submitted** on the *My Students* page, indicating that student responses have been received.
- The **Go To Survey** link in the Actions Menu will be enabled.

To Submit A Test

Once the TA has navigated through the entire test, the following screen will appear. The TA must select the **Submit** button on this screen.

If your browser closes before you Submit the results, you may navigate back to this page in order to complete this step.

- *On My Students go to the **Actions** Menu and select **Resume Test**.*
- *The screen above will appear.*
- *Click **Submit**.*
