

BEFORE THE ARKANSAS STATE BOARD OF EDUCATION

On August 11, 2016, during a regular meeting of the Arkansas State Board of Education, a hearing was conducted pursuant to the legal authority and jurisdiction vested in the Board by the Public School Choice Act of 2015 (codified at Ark. Code Ann. § 6-18-1901 et seq.) and the Arkansas Department of Education Rules Governing the Public School Choice Act of 2015. Before the Board was the appeal of the Kinkaid family ("Petitioner") challenging the decision of the Bryant School District ("Respondent") denying their application for transfer of their children under the Public School Choice Act of 2015.

FINDINGS OF FACT

1. The Petitioner resides in the Little Rock School District.
2. On April 22, 2016, the Petitioner submitted Arkansas Public School Choice Act applications to the Bryant School District on behalf of their children, M. Kinkaid and B. Kinkaid.
3. On June 15, 2016, Respondent denied the Petitioner's applications based on a lack of capacity at the children's grade. Respondent states the children's grade levels are currently above 90% capacity.
4. On or about June 30, 2016, pursuant to Ark. Code Ann. § 6-18-1907(b)(1), the Petitioner requested a hearing before the State Board to appeal the decision of the Respondent to deny the school choice applications.

CONCLUSION OF LAW

5. The Arkansas Public School Choice Act of 2015 authorizes the board of directors of a public school district to adopt by resolution specific standards for acceptance and rejection of applications made under the Public School Choice Act of 2015. These standards may include a claim of a lack of capacity by a school district only if the school district has reached at least 90% of the maximum authorized student population in a program, class, grade level, or school building. (Ark. Code Ann. § 6-18-1903(d) as amended by Act 560 of 2015).

6. There is a lack of capacity in the children's grade levels.

ORDER

7. The Petitioner's school choice appeal is hereby denied.

Signed this 12 day of August, 2016
