Subchapter 19 Public School Choice Act of 2013

A.C.A. § 6-18-1901 (2015)

6-18-1901. Title -- Legislative findings.

(a) This subchapter shall be known and may be cited as the "Public School Choice Act of 2013".

(b) The General Assembly finds that:

(1) The students in Arkansas's public schools and their parents will become more informed about and involved in the public educational system if students and their parents are provided greater freedom to determine the most effective school for meeting their individual educational needs. There is no right school for every student, and permitting students to choose from among different schools with differing assets will increase the likelihood that some at-risk students will stay in school and that other, more motivated students will find their full academic potential;

(2) Giving more options to parents and students with respect to where the students attend public school will increase the responsiveness and effectiveness of the state's schools because teachers, administrators, and school district board members will have added incentive to satisfy the educational needs of the students who reside in the district; and

(3) These benefits of enhanced quality and effectiveness in our public schools justify permitting a student to apply for admission to a school in any school district beyond the school district in which the student resides, provided that the transfer by the student does not conflict with an enforceable judicial decree or court order remedying the effects of past racial segregation in the school district.

(b) (1) A school district annually may declare an exemption under this section if the school district is subject to the desegregation order or mandate of a federal court or agency remedying the effects of past racial segregation.

(2) (A) An exemption declared by a board of directors under this subsection is irrevocable for one (1) year from the date the school district notifies the Department of Education of the declaration of exemption.

(B) After each year of exemption, the board of directors may elect to participate in public school choice under this section if the school district's participation does not conflict with the school district's federal court-ordered desegregation program.

(3) A school district shall notify the department by April 1 if in the next school year the school district intends to:

(A) Declare an exemption under this section; or

membership shall count as one (1) student.

(2) Annually by June 1, the Department of Education shall report to each school district the net maximum number of school choice transfers for the current school year.

(3) If a student is unable to transfer due to the limits under this subsection, the resident district shall give the student priority for a transfer in the following year in the order that the resident district receives notices of applications under § 6-18-1905, as evidenced by a notation made by the district on the applications indicating date and time of receipt.
