

Reward Schools 2013

Pursuant to Arkansas Code Ann. § 6-15-2107, the Arkansas School Recognition Program was created to provide financial awards to public schools that experience high student performance, student academic growth, and for a secondary school, high graduation rate.

Arkansas Code Ann. § 6-15-2107 authorizes rewards in the amount of \$100 per student who attends the school for public schools or public charter schools in the top 10% of all public schools in Arkansas in combined student performance, student academic growth, and for a secondary school, graduation rate under criteria set forth by rule of the state board.

Fifty dollars per student enrolled is awarded to public schools or public charter schools between the top 11% and top 20% of all public schools in Arkansas in combined student performance, student academic growth, and for a secondary school, graduation rate under criteria set forth by rule of the state board.

Needs Improvement Focus and Needs Improvement Priority Schools are ineligible for rewards.

The top 10% and 20% schools were identified by assigning a percentile rank for the measures of each school's performance, growth, and graduation rate (if applicable). The average of the assigned percentile ranks were calculated and the top two deciles were identified.
