LITTLE ROCK: The Arkansas Department of Education will hold the 2009 Educators Career Fair from 9 a.m. to noon on Saturday, May 16, at the Metroplex/Team Summit Event Center, 10800 Colonel Glenn Road, in Little Rock. The Educators Career Fair is designed for licensed Arkansas educators who are looking for opportunities to grow professionally by adding areas to current licenses, renewing expired teaching licenses or earning advanced degrees.

“The recent events in our nation’s economy serve as a sober reminder that it is advantageous for all of us to be flexible in our ability to be employed,” said Camille Sterrett with the department’s Office of Teacher Recruitment. “The Educators Career Fair will allow persons with an Arkansas teaching license the opportunity to learn about how they can add to their credentials so that they may teach additional subjects or at different grade levels.”

In addition to consulting with representatives from the Arkansas Department of Education, attendees will have the opportunity to learn more about financial aid, colleges of education programs and requirements, and open positions with Arkansas school districts.

The 2009 Educators Career Fair is free, but registration is requested. To register, visit www.TeachArkansas.org or call 501-683-1088.

The Arkansas Department of Education strives to ensure that all children in the state have access to a quality education by providing educators, administrators and staff with leadership, resources and training.
