LITTLE ROCK: The Arkansas Department of Education will hold the 2010 Educators Career Fair from 9 a.m. to noon on Saturday, May 1, at the Metroplex/Team Summit Event Center, 10800 Colonel Glenn Road, in Little Rock.

The Educators Career Fair is designed for licensed Arkansas educators who are looking for opportunities to grow professionally by adding areas to current licenses, renewing expired teaching licenses or earning advanced degrees.

"This event provides educators with an extraordinary opportunity to advance their careers," said Camille Sterrett with the department's Office of Teacher Recruitment. "The Educators Career Fair will allow anyone with an Arkansas teaching license the opportunity to learn about how they can add to their credentials so that they may teach additional subjects or at different grade levels."

In addition to consulting with representatives from the Arkansas Department of Education, attendees will have the opportunity to learn more about financial aid, colleges of education programs and requirements, and open positions with Arkansas school districts.

The 2010 Educators Career Fair is free, but registration is requested. To register, visit www.TeachArkansas.org. For additional information, please call 501-683-1088.

The Arkansas Department of Education strives to ensure that all children in the state have access to a quality education by providing educators, administrators and staff with leadership, resources and training.
