### **Data Center Training For Media Moved to ADE Auditorium**

**LITTLE ROCK** - The Arkansas Department of Education has received a lot of interest from the media regarding the training on how to access information on the ADE Data Center.

The training, scheduled for 9 a.m. March 12, 2014, has been moved to the ADE Auditorium at Four Capitol Mall, Little Rock. This will allow the agency to live stream the training for those who are not able to travel to Little Rock.

Live video streaming of the meeting will be available at  
[http://flash.aetn.org/adeplayer.html?  
source=rtmp://flash.aetn.org/live/adelive&type=live](http://flash.aetn.org/adeplayer.html?source=rtmp://flash.aetn.org/live/adelive&type=live).

Those viewing via live stream can e-mail Kimberly Friedman during the session with questions for the presenters. ADE will do its best to answer all questions before the session ends.

To get a better hands-on tutorial, those who plan to attend are encouraged to bring a laptop and should notify Friedman by March 11, 2014, if they plan to attend.
