## ARKANSAS STATE OFFICES TO REOPEN AT NOON ON TUESDAY

**LITTLE ROCK** – With low temperatures forecast to be in the teens overnight and roads expected to remain icy, Governor Mike Beebe has ordered State offices in the Little Rock Metropolitan Area to reopen at 12:00 p.m. on Tuesday, March 4, under the Inclement Weather Policy. Some essential personnel may be required to report sooner and should check with their supervisors accordingly.

As always with the Inclement Weather Policy, agency directors are authorized to allow extra time for employees who must traverse especially treacherous conditions.
