11.00 Procedures for the Investigation of an Ethics Complaint

11.01 Submitting an Allegation of Violation of the Code of Ethics - Any person wishing to submit an allegation of an ethics violation must use the Allegation of Violation form (allegation form) developed by the PLSB.

11.01.1 An allegation form shall be completed and signed under penalty of perjury by the complainant. Only an original signature will be accepted. A facsimile or electronic signature on the form will not be accepted and the form will be returned or the complainant will be required to submit a form with an original signature.

11.01.2 An allegation form shall be submitted to the ADE Assistant Commissioner designated on the allegation form. The Assistant Commissioner shall forward the allegation form to the PLSB office for filing.

11.01.2.1 The allegation form may be filed with the PLSB by submitting it to the ADE, a public school district, or a public school superintendent.

11.01.2.2 If an allegation form is received by a public school district or a public school superintendent, the public school district or superintendent must forward all signed allegations directly to the ADE; the failure to do so may be considered a violation of the Code of Ethics.

11.02 **Automatic submission for investigation** - The following will automatically go to the Ethics Subcommittee of the PLSB for the opening of an investigation:

11.02.1 Public information that an educator may have committed a violation the Code of Ethics; and

11.02.2 Audit reports forwarded to the ADE by the Arkansas Joint Auditing Committee pursuant to Ark. Code Ann. § 6-17-426.

11.02.3 If the Ethics Subcommittee votes that the Chair should submit an allegation form, the Chair shall recuse herself or himself from any further consideration of the complaint. If necessary, the PLSB may appoint a board member to the Ethics Subcommittee for the limited purpose of resolving a complaint filed under this section.

11.03 **Validation** - The Chief Investigator of the PLSB will review the allegation form and verify that the allegation form: (1) has been submitted by an identifiable person; (2) was signed under penalty of perjury; and (3) concerns alleged unethical conduct.

11.03.1 After an allegation of a violation is validated, it cannot be withdrawn by the complainant. However, the Ethics Subcommittee may take a written request for withdrawal into consideration when determining whether to authorize an investigation based on the allegation.

11.04 **Action by the PLSB on an Allegation of Violation** - An allegation will become a complaint once it has been:

11.04.1 Filed with the PLSB as provided under 11.01 with an original signature;

11.04.2 Validated by the PLSB Chief Investigator as being submitted by an identifiable person; and

11.04.3 Determined by the Ethics Subcommittee as credible and if true, would constitute a violation of the Code of Ethics as set forth in these rules, committed by an Arkansas educator. An allegation shall be processed as follows:

11.05 Action by the PLSB Ethics Subcommittee –

11.05.1 The Ethics Subcommittee will determine whether to grant authority to the PLSB investigative staff to investigate the allegation. Authority to investigate the allegation will be based upon a reasonable belief that the allegation, if true, constitutes a violation of the Code of Ethics committed by the alleged educator.

11.05.2 Any member of the Ethics Subcommittee of the PLSB who works with or for the educator against whom the allegation is submitted shall recuse himself/herself from any discussion, hearing, or deliberations concerning the accused educator. A member shall recuse himself/herself if there is any relationship that would prevent him/her from making a fair and impartial decision on the educator's case.

11.05.3 The Ethics Subcommittee is not limited to the standard alleged on the form but may consider all of the evidence submitted with the allegation in determining which, if any, standard may have been violated.

11.05.4 If the Ethics Subcommittee votes not to authorize investigation, the allegation shall be dismissed and the matter shall be closed without further action against the educator. There is no notification to the educator either of the allegation or of the denial of authority to investigate.

11.05.5 If the Ethics Subcommittee votes to authorize investigation of the allegation, the allegation becomes an authorized ethics complaint.

11.05.5.1 Within ten (10) business days of authorization, the PLSB staff shall notify the named educator in writing concerning the initiation of the investigation and provide the educator with a copy of:

11.05.5.1.1 The complaint and documents or evidence provided by the complainant, as provided in Section 9.00; and

11.05.5.1.2 The provisions of Ark. Code Ann. § 6-17-428 or other state statutory law applicable to an ethics violation and the applicable rules in effect at the time the ethics complaint is filed.

11.05.5.2 The PLSB staff shall also provide to the complainant written notice of the authorization to investigate their alleged violation(s).

11.05.6 If, in the course of an authorized investigation, the PLSB investigative staff discovers credible information that the named educator has committed additional violations of the Code of Ethics, the PLSB staff may request additional authority to investigate from the Ethics Subcommittee.

11.05.6.1 The authorization of an additional investigation will restart the calculation of the statutory timelines.

11.05.7 In the event that PLSB staff discovers credible information that another educator has violated the Code of Ethics the PLSB staff may request that the Ethics Subcommittee Chair submit an allegation form with the ADE. If the Ethics Subcommittee votes that the Chair should submit an allegation form, the Chair shall recuse herself or himself from any further consideration of the complaint. If necessary, the PLSB may appoint a board member to the Ethics Subcommittee for the limited purpose of resolving the complaint.

11.06 Completion of the Investigation –

documents and evidence concerning the investigation of the ethics complaint.

11.06.2.2.1 If the educator requests a transcript of a video or recording, the PLSB office may provide the transcript, redacted as necessary.

11.06.2.2.2 At its option, the PLSB may outsource the transcription at the educator's expense.

11.06.2.2.3 If a request for a transcript will cause the resolution of the case to exceed the statutory timeline, the PLSB may decline the transcript request or request that the educator agree to extend the timeline until the educator receives and submits payment for the transcript;

11.06.2.3 Written notice that the Ethics Subcommittee will consider taking action against the named educator; and

11.06.2.4 A copy of the rules in effect at the time the ethics complaint is filed.

11.06.3 The named educator or his/her attorney will be allowed thirty (30) calendar days from receipt of the notice, documentation, and evidence from the Ethics Subcommittee to submit any further response in writing.

11.06.4 At the conclusion of the thirty (30) calendar days or upon receiving the written response from the educator, the PLSB staff will send the final report of investigation and educator's response to the members of the Ethics Subcommittee.

11.06.5 The PLSB will consider a notice as received on the earliest of one of the following dates:

11.06.5.1 The date a letter mailed by certified mail was received by educator, as confirmed with the United States Postal Service;

11.06.5.2 On the tenth (10th) calendar day from the date a letter was mailed by regular mail, if the educator or his or her representative does not sign for the certified letter, and

the letter sent by regular mail is not returned to the PLSB; or

11.06.5.3 The date the educator or his or her representative accesses the documents sent by secure file link.

12.00 Procedures for the Initial Determination and Recommendation of the Ethics Subcommittee

12.01 The Ethics Subcommittee shall take action on the ethics complaint by making an initial determination and recommendation not more than sixty (60) days after receipt of: (1) the educator's written response to the final report of investigation, or (2) the expiration of the educator's time to provide a written response to the final report of investigation.

12.01.1 The Ethics Subcommittee shall review the results of the investigation including the PLSB staff's final report of investigation and, if submitted as required by these rules, the written response from the educator who is the subject of the ethics complaint.

12.01.2 Following the review, if the Ethics Subcommittee finds that a reasonable belief exists that the educator violated the Code of Ethics as set forth in these rules, the Ethics Subcommittee shall issue an initial decision and may recommend any appropriate action as set forth in these rules.

12.01.2.1 The Ethics Subcommittee shall refer to the Sanction Guidelines for Ethical Violations approved by the PLSB (Appendix D) when making the initial determination and recommendation.

12.01.3 The initial recommendation shall be considered a proposal for decision under Ark. Code Ann. § 25-15-210 and shall contain a statement of the reasons for the decision and each issue of fact or law necessary for the decision.

12.01.4 **Private Letter of Caution** - The Ethics Subcommittee may also issue a Private Letter of Caution in lieu of recommending a disciplinary action.

determination and recommendation.

12.02.3 There is no right to an evidentiary hearing, or an appeal from a Private Letter of Caution.

12.03 Educator's response -

12.03.1 The educator may accept in writing the recommendation of the Ethics Subcommittee of the PLSB or request in writing an evidentiary hearing before the Ethics Subcommittee within thirty (30) calendar days of the date the educator receives the notice.

12.03.2 If an educator fails to respond to notification of the initial recommendation of the Ethics Subcommittee within thirty (30) calendar days, the initial recommendation will become a final recommendation without an evidentiary hearing and will be forwarded to the State Board for consideration.

12.03.4 If the educator accepts the Ethics Subcommittee's initial recommendation or waives a response, the recommendation becomes final. The PLSB staff shall notify the educator that the final recommendation will be submitted to the State Board as part of its consent agenda.

12.03.4.1 Even if the educator has agreed to the initial recommendation, the State Board may remove the case from its consent agenda and remand the case to the PLSB for further consideration consistent with its instruction.

12.03.5 The educator may request an evidentiary hearing by submitting a written request to the PLSB within thirty (30) calendar days of receiving the notification of the initial recommendation of the Ethics Subcommittee.

12.04 Notice to Complainant - The PLSB staff shall provide a written notice to the complainant when the Ethics Subcommittee determines there is no reasonable belief and closes the file. However, the Ethics Subcommittee rationale for not authorizing an investigation shall remain confidential.

13.00 Motions before the Ethics Subcommittee or Ethics Hearing Subcommittee

- 13.01 An educator or his or her representative who has requested an evidentiary hearing may file a motion by serving it on the attorney for the PLSB who shall file-stamp the motion indicating the date it is received and promptly transmit the motion(s) to the Chair of the Ethics Hearing Subcommittee for consideration at the next available Ethics Hearing Subcommittee meeting.
- 13.02 Once an evidentiary hearing has been requested, all motions must be filed no later than fourteen (14) calendar days before the scheduled date of the hearing. The responding party shall have seven (7) calendar days to respond to a motion.
- 13.03 Filing a motion that requests that the Ethics Hearing Subcommittee take an action prior to the requested or scheduled evidentiary hearing extends the time limits set out in these rules and Ark. Code Ann. § 6-17-428 by the amount of time required to rule on the motion.
- 13.04 Requests regarding procedural matters, including requests for additional time for the hearing or for continuation of a hearing or proposed stipulated settlements, may be considered on the motions or papers submitted, or the Ethics Hearing Subcommittee Chair may allow oral argument. The PLSB attorney and the educator may propose a stipulation to dispose of any procedural or substantive matters at any time subject to final approval by the Ethics Hearing Subcommittee.
- 13.05 The Chair of the Ethics Hearing Subcommittee Chair may consider any motion that is not timely filed as set forth herein when there is good cause for the untimely filing.

14.02.2 The Ethics Hearing Subcommittee may use a hearing officer.

14.02.3 The Ethics Hearing Subcommittee shall use the “preponderance of the evidence” standard to determine whether a violation of the Code of Ethics occurred. The representative of the PLSB will have the burden of proving each fact of consequence to the determination by a preponderance of the evidence.

14.02.4 A representative of the PLSB and the educator (or his/her attorney) shall have up to one (1) hour each to present their cases to the Ethics Hearing Subcommittee. The Chair of the Ethics Hearing Subcommittee may grant additional time to either or both parties, if necessary.

14.02.10 Cross-examination, re-direct, and rebuttal are not included in the one-hour time period for case presentation, but the limitation or extension of time is at the discretion of the Chair or hearing officer.

14.02.11 While the scope of each party’s presentation ultimately lies within the Chair’s or hearing officer’s discretion, case presentation should be arranged in such a way as to avoid redundant testimony.

After a decision has been made parties will be asked to return to the hearing room and the Ethics Hearing Subcommittee will orally announce the decision or may take the case under advisement and render a decision at a later time.

14.02.17 The Ethics Hearing Subcommittee shall state in its written decision the following:

14.02.17.1 Its determination as to whether the educator violated one or more standards of the Code of Ethics;

14.02.17.2 Its findings as to the evidence supporting each determination of a violation;

14.04.3 If the educator accepts the findings and recommendations of the Ethics Hearing Subcommittee or does not request a State Board review within the 14-day period, the findings and recommendation shall become final and the PLSB will submit them to the State Board on its consent agenda.

If the Ethics Subcommittee votes that the Chair should file an allegation form, the Chair will recuse herself or himself from any further consideration of the newly filed complaint. If necessary, the PLSB may appoint a board member to the Ethics Subcommittee for the limited purpose of resolving the newly filed complaint.~~

Explanations and Guidelines Guidance to Clarify the Intent of the Code of Ethics

The purpose of this Appendix C is to provide greater clarity and intent of each ethical standard listed in Section 6.00 of this rule. Therefore, *Appendix C* is not designed to supersede the required standard of ethical conduct but rather to provide some rationale of the intent and purpose and thus the proper application of each ethical standard of conduct. It is recognized that *Appendix C* is a general application of the intent and purpose of each ethical standard and is considered a guide and not all inclusive of each and every interpretation and application of the Code of Ethics as required in Section 6.00.

~~Moreover, it is recognized that unless specifically stated in a standard of conduct listed in Section 6.00 of these rules or specifically required in *Appendix C's* interpretation of a particular standard of conduct, the alleged unethical conduct by a licensed educator may be considered by the Professional Licensure Standards Board regardless of the mental intent related to the alleged unethical action or omission. However, the Professional Licensure Standards Board may consider the mental intent or capacity of the licensed educator, along with other relevant factors, when determining whether a violation exists and what, if any, disciplinary action to recommend to the Arkansas State Board of Education for alleged violations of this Code of Ethics.~~

Employer/Employee or Contractual Relationship. Furthermore, it is recognized that the The Code of Ethics is designed as a model of minimum standards for maintaining the public's respect for, and support of, educators those holding a license issued by the State Board of Education. It is not intended to regulate the employer/employee or contract relationship between any public school district and its educators.

The Code of Ethics is an overarching and superior set of standards and rules intended to establish and contribute to the development and maintenance of a supportive student-centered learning community that values and promotes human dignity, fairness, care, the greater good, and individual rights.

<p>Standard 1 An educator maintains a professional relationship with each student, both in and outside the classroom.</p>

Guidance: This standard goes to the core of a professional educator's expected conduct and relationship with all students and transcends criminal behavior or other actions which violate law. The professional relationship with students is such behavior and action which promotes at all times the mental, emotional, and physical health and safety of students. An educator should show respect for and not demean, embarrass, or harass students ~~absent some reasonable educational or disciplinary purpose and never as prohibited by law.~~

An educator should not participate in and should discourage bullying based on such characteristics as race, national origin, color, gender, sexual orientation or identity, age, disability, or religion. "Bullying" means the intentional harassment, intimidation, humiliation,

ridicule, defamation, or threat or incitement of violence against a student by a written, verbal, electronic, or physical act that may address an attribute of the student and that causes or creates actual or reasonably foreseeable: (a) physical harm to a student or damage to the student's property; (b) substantial interference with a student's education; or (c) a hostile educational environment for one (1) or more students due to the severity, persistence, or pervasiveness of the act.

Educators should maintain professional relationships with students while using social-networking technology tools.

A professional relationship is one where the educator maintains a position of educator/student authority with students even while expressing concern, empathy, and encouragement for students. In that position of authority, an educator may nurture the student's intellectual, physical, emotional, social and civic potential. An educator may display concern and compassion for a student's personal problems and, when appropriate, refer the student for school counseling or other help.

Standard 2 An educator maintains competence regarding his or her professional practice, inclusive of professional and ethical behavior, skills, knowledge, dispositions, and responsibilities relating to his or her organizational position.

Guidance: This standard addresses the professional educator's obligation to implement best practices and maintain competence in skills and knowledge. An educator has many dispositions that are required in the course of instruction ~~such as ensuring that students have access to varying points of view and that instruction reflects current subject matter.~~ Educators have a responsibility to exercise professionalism and competence when dealing with members of the school community. Members of the school community include, but are not limited to, administrators, teachers, staff, parents, guardians, school board members, residents of the school district's community.

Standard 3 An educator honestly fulfills reporting obligations associated with professional practices.

Guidance: This standard covers those situations where there is an intentional or knowing attempt to deceive or mislead an educational entity. Honest errors or mistakes or inaccuracies are not intended to be encompassed by this standard. To uphold this standard an educator should be honest when reporting data and information to the ~~Arkansas Department of Education~~ ADE, the Arkansas Bureau of Legislative Audit, the Arkansas State Board of Education, and other state and federal governmental agencies. Honestly reporting grades is also a part of this standard. It is also important that an educator honor this standard when giving information to recommend an individual for employment promotion or licensure as well as when reporting professional qualifications, criminal history, college credits and degrees, awards, and employment history. Similarly the failure to timely submit information covers those situations where there is a knowing failure to submit or provide information.

The State Board of Education may take direct action to revoke, suspend, or place on probation an educator whose conduct violates Ark. Code Ann. § 6-17-410(d)(1)(A)(vii) and (viii) without submission of an ethics complaint. It is important to note that noncompliance with mandated child abuse reporting laws also falls ~~with~~ within this standard.

Standard 4 An educator entrusted with public funds and property, including school sponsored activity funds, honors that trust with honest, responsible stewardship.

Guidance: An educator must be a good steward of public funds, personnel and property dedicated to school related purposes. The use and accounting for these resources under the educator's control must comply with state and federal laws that regulate the use of public funds and property. The use of such resources for personal gain, other than incidental personal benefit for which there is no public education purpose would not be in keeping with the intent of this standard.

Standard 5 An educator maintains integrity regarding acceptance of any gratuity, gifts, compensation or favor that might impair or appear to influence professional decision or actions and shall refrain from using the educator's position for personal gain.

Guidance: The standard is intended to prohibit that conduct which is solely for personal gain and creates an appearance of a conflict of interest in the role as an educator. The standard of conduct called for by this section involves an examination of the total circumstances surrounding the gratuity, gift, compensation, or favor. Factors to consider include the value of the gratuity, gift or favor, the reasonableness of any compensation; the timing of the gratuity, gift, compensation, or favor; and the relationship between the educator and the person from whom the gratuity, gift, compensation, or favor comes. Pursuant to Ark. Code Ann. § 6-24-113 an educator may accept awards and grants as provided for therein. Ark. Code Ann. § 6-24-112 contains some specific prohibited transactions involving gratuities or offers of employment. The second part of this standard requires that the educator does not use the position for personal gain.

Standard 6 An educator keeps in confidence secure standardized test materials and results and maintains integrity regarding test administration procedures.

Guidance: When standardized tests are administered, educators should maintain the confidentiality of those parts of the standardized test materials that are to remain confidential such as actual test items and test booklets in accordance with state law, regulation, and testing policy. ~~Supervisors may be entitled to access to other educators' personnel records and should maintain the confidentiality of those records.~~ This standard applies to all educators, whether licensed or non-licensed. Licensed educators should be reminded that this standard is in addition to conduct prohibited under Ark. Code Ann. §§ 6-15-438, 6-17-410(d)(1)(A)(iii) and the Arkansas Department of Education Rules Governing Testing Improprieties. The State

Board may take direct action to revoke, suspend, or place on probation, the license of an educator whose conduct violates this ~~section~~ standard without the filing of an ethics complaint.

Standard 7 An educator maintains the confidentiality of information about students and colleagues obtained in the course of the educator's professional services that is protected under state law or regulations, federal law or regulations, or the written policies of the educator's school district, unless disclosure serves a professional purpose as allowed or required by law or regulations.

Guidance: At times educators are entitled to and/or for professional reasons need access to certain student records, as well as other educators' records. Much of this information is confidential and the educator should maintain that confidence unless the disclosure serves some legitimate educational purpose as allowed or required by law. The Federal Education Rights and Privacy Act (FERPA) addresses the confidentiality of certain student records. Such federal and state laws permit disclosure of some student information and restrict the disclosure of other student information. Educators should respect and comply with these and other similar confidentiality laws. Confidential student information may include student academic and disciplinary records, health and medical information, family status and/or income, assessment/testing results, and Social Security information. ~~Similarly, educators should not disclose confidential information about colleagues unless the disclosure serves some legitimate professional purpose as allowed or required by law.~~ Educators shall not knowingly or maliciously disclose confidential information about a student or colleague.

Standard 8 An educator, while on school premises or at school-sponsored activities involving students, refrains from:

- a) using, possessing and/or being under the influence of alcohol or unauthorized drugs/substances, ~~and/or~~ possessing items prohibited by law, ~~or~~
- b) possessing or using tobacco or tobacco-related products, e-cigarettes, e-liquid, or vapor products, or
- c) abusing/misusing prescription medications or other authorized substances as evidenced by impairment while on school premises or at school-sponsored activities involving students.

Guidance: This standard sets forth the expectation of the professional educator concerning using, possessing, or being under the influence of the listed substances while on school premises or at school-sponsored activities involving students or being in violation of state law governing the using, possessing or being under the influence of alcohol, tobacco, or unauthorized/illegal drugs/substances while on school property or at school-sponsored activities involving students.
